

 **TERRALUX®**

FEATURES

- Specially designed magnetic connection. When the charging cable is within 1cm of the charging port it self-locates to make the connection. The charging cable can be removed quickly and safely at any time, which makes it an effective flashlight to use in rapid response situations.
- Ergonomically designed to be easy to operate with just one hand. The switches are very easy to locate by touch in the dark.
- Uses a USB interface chargeable design, so you can charge in the home, office, airport, vehicle, etc.
- Low loss, high intensity, portable USB charging cable (K1-D5).
- Strobe can be activated when the flashlight is on or off, giving instant access to a blinding strobe from any mode.
- Three lighting modes with memory function make it adaptable for different situations.
- Detachable stainless steel strike bezel protects the lens and has a self-defense purpose.
- Color filters and a diffuser can be securely attached; screwed-in to replace the bezel.
- Uses one 18650 battery. Included. **NOTE: TDR-II will run on 2 x CR123A batteries, however, user MUST NOT use flashlight charger with CR123 batteries installed to avoid property damage and bodily harm!!**
- Waterproof to IPX-8 Standard (underwater to 2 meters).

SPECIFICATION

- Cree XM-L (U2) LED with a lifespan of up to 50,000 hours.
- Lighting modes:
 - 500 lumens (3 hrs) -- 150 lumens (7.3 hrs) -- 10 lumens (215 hrs)
 - Variable frequency strobe: 500 lumens (4.4 hrs)
- Working voltage: 3.4V - 8.4V
- Battery: 1 x 18650
 - Any 18650 battery with PCB protection – using unprotected batteries may be hazardous to the user and cause damage to the flashlight.
- Charging:
 - Input: 5V
 - Output: 4.2V / 500 mA max
- Charging time: Decided by battery capacity. Formula is:
Charging time = (battery capacity/500 mA) + 0.5 hrs
- Body Color: Dark grey
- Reflector: Textured orange peel reflector
- Lens: Toughened ultra-clear glass
- Dimensions: 160mm (length) x 36mm (head) x 25.4mm (body)
- Net Weight: 156g (excluding battery)
- Included accessories: Lanyard, body clip, USB charging cable, one spare o-ring and one rechargeable 2200 mAh 18650 battery
